

JANUARY NEWSLETTER

Happy New Year!!!! I hope everyone had a great holiday. As the New Year starts, costumes/tights have been ordered and classes will resume in full force. We now have to start thinking about our upcoming recital that is coming up seemingly fast this year. All class will start or have started working on their recital routines. It is, at this time, very important that your child attends their dance classes regularly. Students who miss classes regularly have a very difficult time trying to catch up on the weeks missed and usually struggle on learning new material when they don't know previous steps.

If you did not turn in your child's costume money, unfortunately, I was unable to order any costumes that were not paid in full. Once monies are turned in, I can place the order but if there are any additional charges that are incurred due to a late order, you will be responsible for any additional money since payments were due in full by December 22.

If you need to contact me regarding payment, please contact me immediately.

There are tuition payments that are late. I have sent out any late tuition payments separately. All tuition payments are due by the 10th of each month. If you cannot make a payment by that time, please contact me immediately otherwise, you will see a \$10.00 late fee assessed to all late payments.

Weather conditions are sometimes questionable, but if the weather is snowy, sleeting, and you are in doubt, please call the studio by 12:00 p.m. and if the studio is going to be closed, I will leave a message.

There are no scheduled days off this month.
