

MARCH NEWSLETTER

With the end of the year coming extremely fast, we have started preparing for our yearly recital. I have attached a recital t-shirt form and recital booklet information. Recital t-shirts are due by **Thursday, March 31**. This information will be also be available on our website: **www.aopadancers.com**. Once I place the initial t-shirt order, I CANNOT TAKE ANY LATE ORDERS after March 31. I have also attached information regarding our recital booklet. All recital booklet ads are due by **Thursday, March 31**. If you are doing one-line ads, please use the grid that I provided. I will not accept any handwritten one-liners without using the grid. Please make all checks payable to AOPA. Please do not combine payment of t-shirts and recital ads or tuition payments. These must be paid separately.

Costumes will start to come in shortly. Please check your child's accessories and make sure they have the proper accessories for their costumes. Any questions, please do not hesitate to ask.

As the season is coming closer to the end, attendance is very important. Please make every attempt to have your child attending regularly. When missing classes, it does put your child behind and when they return they may be struggling to keep up in their classes.

There are no scheduled days off this month.
